Cultural promotion association of arts and musical performances based on ecological principles and respect for nature, through a festival called Out Eco Fest held in the Marmore Waterfalls National Reserve. Co-founder, artistic director, videographer and coordinator.

PERSONAL INTERESTS

Physically active, coached by a personal trainer, I practice Ashtanga yoga since 2019 and bouldering since 2024. In my earlier years, I played competitive basketball for a decade.

I have traveled throughout Italy, France, Spain, Portugal, the Netherlands, Greece, Morocco, the Mediterranean, California, and Tanzania, deepening my cultural and artistic perspective.

Passionate about painting, graphic design, and sculpture, I collect almost 100 artworks by international artists, collectives and friends, including several by my father, Michel Abbatangelo.

Photography: amateur analog still 35mm photography and scanning since 2008 [latoya_analog](#)
