Profile

Senior Producer and Location Specialist with over 25 years of experience in TV, feature films, advertising, and live event production across Europe, the USA, Latin America, Asia, and the Middle East.
Extensive expertise in location scouting, production management, crew coordination, budget control, and international client relations.
Strong adaptability to multicultural teams and fast-paced international environments.
Passionate about international productions, with a special expertise in Monaco and the South of France.

Note: This CV presents a selected overview of my professional experience. A full list of credits and projects can be provided upon request.
